

# LOGISTICS REDEFINED

**ATS**

[www.atsworld.com](http://www.atsworld.com)

## OUR MISSION

Provide quality services to meet customers demand

Delivering solutions to customers in time

Investing in technology and human resources

Building a Global profitable enterprise

## OUR VISION

To be recognized as a quality operator in the Global logistics arena by offering innovative solutions and constantly work towards improving industry standards, customer satisfaction, stable growth and profitability

## MANAGING DIRECTOR'S MESSAGE

We are here to build a great company.

A company that has achieved the highest levels of customer satisfaction. A great place to work, a provider of exceptionally high quality service, a company that carries itself in the market place with the highest levels of business integrity and business ethics, a company composed of dedicated, accomplished professionals, committed to our customers.

We are here to build a company in which we can all take great pride.

**ATS** is a fully integrated logistics company with ISO 9001 & ISO 14001 standard. Headquartered in Dubai, **ATS** caters to the global Shipping, Logistics and Marine industries. With its own dedicated fleets and an international network of services, **ATS** maintains enviable service standards.

Founded in 1991 - the company has grown by leaps and bounds ever since. Going from strength to strength, its range of services has continuously expanded over the years. Today, **ATS** is a multimodal organization that has established itself as a leading supply chain company in the region. Logistics remains its core strength.

Complementing that nucleus, **ATS** range of services has expanded to include storage, distribution and terminal services.
